POWER PLANTS UNDER CONSTRUCTION
IN MACEDONIA AND CROATIA

MACEDONIAN FARMS TO GET LIGHTING -- Borba, No 112, 21 May 49

Hundreds of Macedonian farm homes will soon have electric lighting when the electric power plants started last year in the villages of Glabovica, Vianja and Vepcani are finished. The villagers of Burance and Selce in Struga Srez will begin the construction of power plants in their villages soon.

A few days ago a thermoelectric power plant was put into operation by cooperative and People's Front members of the village of Podgorica, who raised the money for the purchase of the machinery themselves.

CROATIAN POWER PLANT -- Poljica, No 13236. 13 May 49

The Desni Razromir tunnel, one of the most important projects in the construction of the hydroelectric power plant at Vinodol, in Croatia, has been completed.

On the initiative of the workers themselves, 9 - 10 meters a day were cut instead of the planned 3 - 4.
